# The Tukatalogue

This catalogue lists the main releases of the musical artist **Tukolor**.

Recorded by Tukolor mainly between 2012 and 2018. Mixed and mastered by Tukolor.

Tag: **#homade**. Music made in the home. Where the heart is. (And the corn is.)

Eighteenth Century dulcimer folk ballads? Twenty-three minute psychedelichish epics?  
Pop songs called 'Pop Song'? Lofi ghost songs?

Tunes and drones. Latin plainsong run through the latest digital plugins. Acoustic to  
electric. Samples to synthesis. Live to sequenced.

Catchy, sometimes. Discordant, others.

Homade music is the new music. Direct from the walk-in studio. Ad hoc hic est. Plug  
and play. Record and run.

Twenty-five releases. The #homade way.

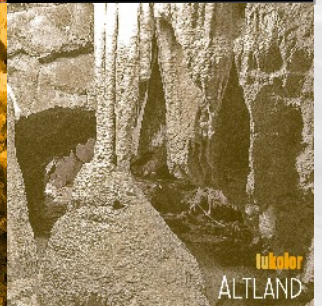

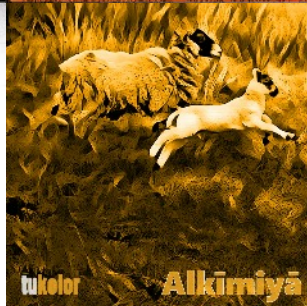

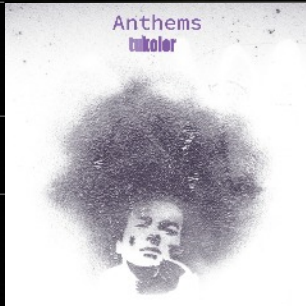

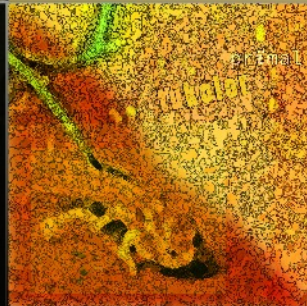

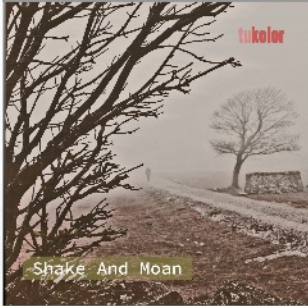

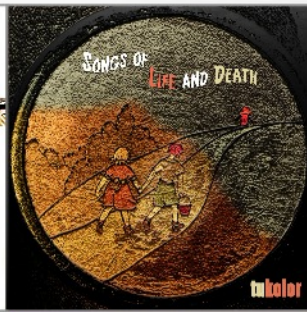

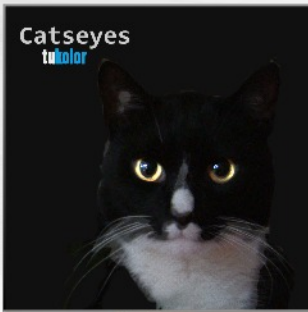

Ad hoc it is. They say.

Check it out. Today.

### Face On The Floor

I can see the face on the floor  
I can't tell if it's you any more  
I can see the face on the floor

I didn't choose it  
I didn't lose it  
Oh no

### Marionette

Little marionette Hanging in the air  
Do you feel the hands that work  
The thing that holds you there?

Look up to the sky Do you see what's there?  
The horse that draws the sun is gone  
And no one quite knows where

Look up at the sun He sure you do not stare  
Who lives there no one knows  
But he is everywhere

If you ever knew Would you even care?  
You are just a little marionette  
Who is hanging in the air

She ain't  
I ain't she ain't And you ain't pleasein'  
You know I could be Your worst enemy  
Smash your face You'll still see me  
This is how it's so I'm carryin' the show

Oh see Pamina She's your new owner  
And you ain't gonna get What you ain't gotten yet  
You go see this Just out of jail  
You're gonna fall so hard Face on the boulevard

Yah I ain't she ain't You ain't pleasein'  
This is how it's so I'm carryin' the show  
I ain't gonna go go go

### Threshold Blues

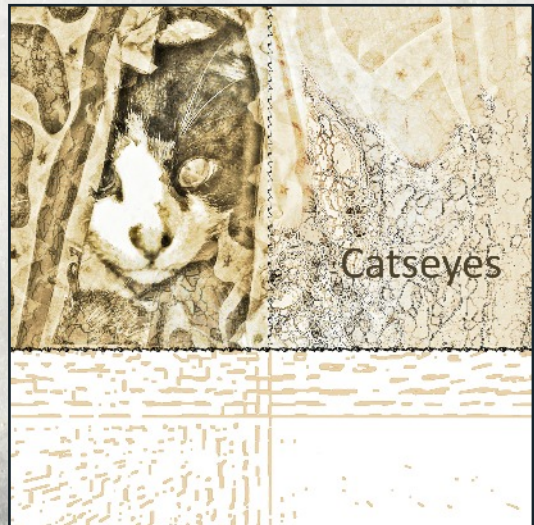

Sleep came up to me  
The threshold blues  
But I survived  
I always do

### The threshold blues

Which way people  
To the threshold blues?  
Night or day  
We all gotta choose

### The threshold blues

I saw a sign The climb will end  
It was the line The gods defend  
I think what's mine Now see me, friend  
Now see me, friend

/ POEM

Peace is the time after war  
but it fades fast as a flower  
grown in a desert. A chain  
of smoke bursts like wolves  
out of the horizon. A game  
is all it is, played quite fairly  
to unfair rules. The countries  
settle down to their peace  
like islands in a rising sea  
of war as the sea-wolves, grey  
and red, sail on to shore.

and that claims to the right of our mistakes, giving  
no room and not to possess the whole of the continent which  
World Bank has given us for the development of the great continent  
without the federalist self-reliance and our own

## STELLA MARIS

tukolor

If the winds of temptation arise; if you are driven upon the rocks of tribulation look to the star,  
call on Mary. If you are tossed upon the waves of pride, of ambition,  
of envy, of rivalry, look to the star, call on Mary. Should anger,  
or avarice, or earthly desire violently assail the frail vessel of your soul,  
look at the star; call upon Mary.

-- St. Bernard of Clairvaux --
